RESOLUTION TITLE *Strong Environmental Laws*

BE IT RESOLVED THAT: *(Please print or attach your resolution here. Be concise and use everyday language.)*

Oppose any effort to circumvent or weaken state or federal environmental laws, administrative procedures, and permitting.

You may add a brief explanation or your two or three strongest supportive points here.

- An example of this weakening is MN HF 1170 which attempted to take Clean Water Act permitting away from the Army Corps of Engineers and give it to State regulators, whose regulations may not be as stringent as federal regulations.
