

MINNESOTA DFL RESOLUTION FORM

(Submit one resolution per form and one subject per resolution)

The State DFL Ongoing Platform embodies the principles of the Minnesota Democratic-Farmer-Labor Party. The State DFL Action Agenda is a set of recommended public policy positions which the party supports and will promote during the next two years. This form must be completely filled out for a resolution to be considered.

| <input type="checkbox"/> Labor & Employment | <input type="checkbox"/> Local or Party Issues |

Individuals at their precinct caucuses can submit resolutions. When a majority of the caucus adopts a resolution, it advances to the Organizing Unit convention for consideration to send to the State Platform, Issues, and Legislative Affairs Committee. Resolutions having support from at least five Organizing Units drawn from at least two Congressional Districts may be selected for consideration at the State Convention (for inclusion in the DFL Ongoing Platform or Action Agenda).

RESOLUTION TITLE *Forever Green*

BE IT RESOLVED THAT: *(Please print or attach your resolution here. Be concise and use everyday language.)*

Provide long-term funding to the University of Minnesota to expand the Forever Green research initiative, embrace regenerative agriculture policies, support farmers building soil, protect clean water, and sequester carbon.

You may add a brief explanation or your two or three strongest supportive points here.

- Minnesota farmers are great, natural conservationists. The latest science and technology offers them new and better ways to control soil erosion and capture or hold carbon in the ground. One way farmers can make a big difference is by growing crops for a greater part of the year, taking advantage of the time that water and sunlight are available in the fields.
- Forever green agriculture uses newly developed, non GMO, cover crops to hold soil, trap carbon, maintain or increase soil nitrogen, and produce edible or otherwise usable products.
- This important agricultural technology was developed at the UMN Forever Green project, unique in the nation.

To be filled out at the Precinct Caucus:
